MESSAGE FROM THE LEADERS

Prof. Sridhar S
M.Sc, Mathematics
Academic Director

It is indeed with great happiness and enthusiasm that I extend a warm welcome to each one of you to our esteemed college. As the Academic Director of Taproot Group of Colleges, I am honored to have an enthusiastic team of educators committed to providing qualitative education that endows and enthuses.

At Taproot, we believe in nurturing a milieu that encourages not only academic excellence but also personal growth and character development. Our mission is to foster inquisitive minds, inculcate a passion for lifelong learning, and prepare our students to thrive in an ever-evolving global landscape.

Our faculty comprises of proficient professionals and experts in their relevant fields, who are devoted to guiding and mentoring each student towards realizing their fullest potential.

Thank you for considering Taproot Group of PU Colleges as your educational partner. We look forward to a successful and enriching academic journey together.

I am Indeed thrilled to welcome all of you as the Business Head of Taproot Group of colleges. I am filled with confidence and expectation for your remarkable journey ahead with Taproot.

At Taproot Group of PU Colleges, we are not just educators; we realize your dreams, build futures and champs of knowledge. Our promise is not only to academic excellence but also to cultivating an accomplished individual armed with the expertise, ethics, and resilience needed to succeed in an ever-changing world.

Beyond the classrooms, we offer a rich platter of extracurricular activities, clubs, and events intended to balance the academic pursuits. We inspire our students to discover their interests, involve in community service, and develop leadership skills that will serve them well in their future actions.

I invite you to explore the various programs and opportunities that Taproot Colleges has to offer. As you embark on a journey with us, I am confident that you will find our colleges to be a place where ambitions are fostered, dreams are appreciated, and futures are formed.

Mr. Vaibhav Kumar Singhal
CFA, B.Tech, IIT - Madras
Business Head

ABOUT US...

Taproot is the fastest growing chain of PU colleges in the state of Karnataka. The year 2021 was a dawn of a new horizon when Taproot Group of PU Colleges embarked on a humble journey with merely **2000** students spread across four campuses. In the year 2023, Taproot amplified its presence with four more colleges and the trajectory further scaled exponentially. In the year 2024, we are present at **12** locations in Bangalore and **2** in Bidar. with a strength of **7000** students.

VISION

To empower success through affordable, accessible, quality education for all.

MISSION

- Strengthen partnerships with parents to support student learning and well-being.
- To promote holistic development among students.
- To Foster a culture of respect, inclusivity and community services.
- To enhance student engagement through innovative teaching strategies for achieving academic excellence

OUR ROOTS

Taproot is an emerging group of PU Colleges that encapsulates strong commitments in terms of

ACCREDITATION

The Taproot Group of PU Colleges and it's programs are all affiliated and recognized by the Pre-University board, Govt of Karnataka.

QUALITY

We at Taproot Group of PU Colleges guarantee an inordinate quality in terms of infrastructure, faculty, exclusive programs and great results.

CLASSROOM

Our class rooms are furnished with progressive teachings aids, promoting shared and engaged learning and lecture halls that house larger groups for presentations, deilberations and guest lectures from Industry augmenting the over all educational know - how.

LIBRARY

The library in our colleges is a testimony of an all-compassing collection of textbooks, reference materials, e-books, and journals. Students have access to silent study zones, multimedia resources, and digital records, promoting a philosophy of erudite exploration.

TECH INFRASTRUCTURE

Our colleges are all equipped with state of the art computer labs with high-speed internet access and digital resource which craft a technologically innovative environment. These labs provide a conducive ambience for learning and collaboration.

“Within the walls of opportunity and under the roof of quality infrastructure, dreams take flight fueled by passion”

LABORATORIES

Specialized laboratories provide hands-on experience of the theoretical learning for students in the field of Biology Chemistry Physics. These spaces are housed with the latest equipment, facilitating practical learning.

RECREATION SPACE

Campus life spreads beyond academics with devoted leisure space. Indoor sports facilities and green space encourage physical activity, relaxation and social interaction.

TRANSPORTATION

A fleet of buses ply to different locations for our students. Parking facilities, commuting to and fro from campus is completely hassle-free for our students.

AFFORDABILITY

Taproot Group of PU colleges are committed to provide education in par with all other existing colleges at a very affordable proposition without compromising on the quality.

Financial Assistance and Scholarship: We believe no student should be left out on education. We identify the meritorious students and offer financial assistance and scholarships to them.

COMMUNITY SERVICES

We believe in the philosophy of giving back to the society. We instill these qualities of sharing and caring amongst our student community. "Lamps of love" is our annual activity to reach out to orphanages and old age homes apart from the various other community services.

STUDENT CENTRIC

At Taproot, student-centric activities to name a few like entrepreneurship and science expos are at the heart of our approach, ensuring a vibrant campus life that nurtures talents, fosters leadership, and promotes a sense of community. Each and every student who enters the portals of Taproot colleges thrives academically, personally, and socially.

HEALTH & WELLNESS

Taproot Group of PU Colleges give a lot of impetus on the physical and mental well-being of their student community. To augment our belief, sports and games forms a vital part across campuses.

Health Talks: We organize health talks by medical experts from reputed hospitals to bring in awareness of living a healthy life. Counseling sessions by experts addressing teenage problems form the integral part of our campuses.

Sports: Apart from the scholastic programs what we offer to our students, we have initiated many unique initiatives to infuse life skills and sports amongst our student community. Every day is a sports event, a journey of persistence, dedication, and a celebration of teamwork and triumph.

CELEBRATING OUR SPORTS CHAMPIONS

STATE LEVEL KARATE COMPETITION

36 kg category - 1st prize

INTRA COLLEGE COMPETITION

Volleyball - 1st prize

INTRA COLLEGE COMPETITION

Throwball - 1st prize

INCLUSIVITY / CULTURAL DIVERSITY

The student community enjoys a culturally diversified secular environment. Each festival is celebrated with great pomp and gaiety. Be it be a Dussera or Kannada rajyotsav our campuses wear a festive look on these days.

EMPOWERMENT

We at Taproot Group of PU Colleges believe in creating a milieu that promotes student empowerment, personal growth, academic success, and grounding for impending accomplishments.

INDUSTRY ACADEMIC PARTNERSHIP

At Taproot we invite experts from different industries as guest faculty to help our students get an exposure to the real world scenario and understand the concepts from the industry aspect. We organize industrial visits for our students to get real life learning.

ENTREPRENEURIAL HUB

Taproot Group of PU Colleges believes in seeding entrepreneurship in the minds of its students. To accomplish this, we boast of a full-fledged entrepreneurship hub across our campuses. This hub very often organizes bazars in the campus apart from regularly participating in the live flea markets in the city.

SKILL ENHANCEMENT WORKSHOP

We at Taproot empower our students with life skills apart from academic pursuits. We regularly organize workshops on confidence building, motivation, public speaking which forms a part of skill enhancement.

RELIABILITY

The teaching learning methodology, on time syllabus completion, rigorous practice sessions, catering to academically weak students with remedial classes and producing excellent results have been our promise to the student community. The student retention ratio is almost 100 percent with no drop outs in the IInd PU program. Parent Teacher meeting at regular intervals help the parents to have a track of the progress of their wards.
